

Using appropriate evidence, write an essay in which you

evaluate one of the quotes below:

- **“Knowledge is power.” Sir Francis Bacon**
- **“No man’s knowledge here can go beyond his experience.” John Locke**
- **“Life which is unexamined is not worth living.”
Plato**
- **“There is only one good, knowledge, and one evil, ignorance.” Socrates**
- **“If a nation expects to be ignorant and free, it expects what never was and never will be.”
Thomas Jefferson**
