

# **Sermon Requirements**

- I. A quote (aphorism) that relates to your topic. Then, explain the quote and why it relates to your topic.**
  - II. Explain what the problem is. Use logical appeals to persuade your audience. This may require a little research on your computer.**
  - III. Explain why the issue is important and why American should care.**
  - IV. Explain how this issue applies to your life.**
  - V. Explain what should be done. Use an emotional appeal to persuade your audience (your peers).**
- We will read these Friday in front of the class.**
